## THE BEST OF BOTH WORLDS

Imagine a holiday where you and your family embark on not one, but two magical adventures. A holiday that takes you on an incredible journey – from the make-believe places of our Disney dreams to real-life paradises. With Land & Sea, you can do just that, enjoying all the wonders of both *Walt Disney World Resort* in Florida and *Disney Cruise Line*.

Your first adventure sees you exploring *Walt Disney World Resort*, where four unique Theme Parks, fun-filled Water Parks and so much more all shine bright under the Florida sun. Here, every day is different, as you set foot in fairy tale lands, blast off to a galaxy far, far away and go on a safari – the choice is yours!

Then, just as you think your days and nights can't get any more magical, your *Disney Cruise Line* ship will whisk you off on your next adventure – a blissful voyage to the Bahamas or Caribbean, with a stop at our very own private island, *Disney Castaway Cay*. On board, you'll discover a different kind of magic for everyone. An intimate magic you won't find anywhere else in the world.

So if you dream of a getaway like no other, one that your whole family will love, make this dream come true by combining two magical adventures for one unforgettable Disney holiday.
